

Job Description

Title: Director of Worship Music

Reports to: Senior Pastor

Direct reports from: Musicians and sound technicians

Summary of Position

The Worship Leader oversees the development of the environment that leads the church into worship of God corporately, individually, and in the home.

Areas of responsibility

To bring all generations of the church together in the holy act of listening and responding in worship to God through song, prayer, and sharing of communion.

Church-Based Ministries

- Supervise and direct the worship services.
- Plan and evaluate services with the Senior Pastor.
- Guide and teach the congregation to increase its understanding and experience in worship.
- Fosters an environment that invites children and adults into the common practice of worship.
- Chooses music that prepares peoples hearts to worship in their homes and lives all week long including providing tools for parents to lead their children in worship.
- Instructs and assists the technical team with sound, lighting and arrangement of the environment.

Rehearsal and preparation

- Selects musicians based on their musical ability and heart for worship.
- Decides with the senior pastor's input which music to use.
- Provides musicians with copies of sheet music and musical directions.
- Supervises the rehearsal of music team.
