

Hero Training Camp Family VBS Plus What's Included

Family VBS Kit \$329.95

Do VBS differently this year. Train the parents too! Parents and children start and end the evening interacting together and then separate during the teaching time. Children go to Hero Training Camp while parents watch the interactive video training program by Dr. Scott Turansky and Joanne Miller, RN, BSN. All family members learn about the biblical concept of the conscience to help children be internally motivated in four areas: Do what's right, deal with wrongs, be honest, and care about others. Plus you can offer the three optional Family Night Events over the next three months to continue family development.
